BASILUR tea is created for those who appreciate and understands great wisdom and the unique nature of this drink, who knows what the "good tea" is.

"The Garden of Stones" Collection

The Japanese Garden of Stones is one of the most inexplicable phenomena for many. Main principles of its creation are harmonious balance, originality and asymmetry. "Basilur Tea" gives you a small Japanese Garden of Stones that will take you through ancient traditions of the East. Specially selected Ceylon Tippy tea, Oolong tea and Japanese Sencha offer you the true relaxation embedded in this unique concept.
